SUMMARY

Full-Stack Developer experienced in building scalable applications using React, Vue, Next.js, Node.js, and MySQL. Strong foundation across front-end and back-end development, delivering production-ready systems and improving workflows for internal teams and clients.

EXPERIENCE

Full Stack Developer — ThaiRung Partner (Dec 2024 – Present)

- Rebuilt legacy OutSystems functions into modern Vue.js + TypeScript applications.
- Developed vehicle marketplace platforms with React & Next.js integrated into internal services.
- Built Node.js + MySQL backend services improving workflow automation and reliability.
- Improved system stability and reduced manual work for internal teams.

Freelance Full Stack Developer — Fastwork (Dec 2024 – Present)

- Delivered full-stack applications using React, Vue, Angular, Node.js, Go, and Python.
- Managed AWS deployment, hosting, and CI/CD pipelines for clients.
- Collaborated directly with clients to gather requirements and deliver solutions quickly.
- Increased client project delivery speed through efficient development practices.

Full Stack Developer (Intern) — Western Digital (Aug 2024 – Nov 2024)

- Created internal workflow tools improving daily operations for engineering teams.
- Built responsive UI components with React, HTML, and CSS.
- Developed backend services using Node.js + MySQL ensuring reliable data operations.
- Enhanced user efficiency by streamlining internal application processes.

EDUCATION

Bachelor of Engineering (Computer Engineering), Mahidol University International College

Study Abroad: University of Groningen, Netherlands — Focus on Web Application Architecture; built a REST API + MongoDB music-search application.

TECHNICAL SKILLS

Front End: React, Next.js, Vue.js, JavaScript, TypeScript, HTML, CSS

Back End: Node.js, MySQL, MongoDB, REST API, Go (basic), Python (basic)

Cloud: AWS (deployment, hosting, CI/CD)

Tools: Git, Bootstrap, OutSystems logic translation

LANGUAGES & INTERESTS

Languages: Thai (Native), English (Fluent)

Interests: Fitness, Football, Gaming, Reading
